Certifications

KUBERNETES OPERATORS ADVANCED
IBM
- Awarded to students who have clear CognitiveClass.ai course assessment.

SQL(INTERMEDIATE)
HackerRank
- Awarded to students who have clear CognitiveClass.ai course assessment.

Recent Projects

DEVSPACE
React,Node,Mongo,Express
- https://github.com/imvik2000/DiscussForum
- Used MERN stack to create a community blogging site for my friends and developers all around.
- Implemented User auth with session and token verification using JWT.
- Allow users to comment,edit on blog posts, fostering engagement and discussion.

MY PORTFOLIO
React, CSS, JavaScript,Jenkins CI/CD
- Created A Responsive Web Design.
- Implemented it combining it with React to make experience hassle free.

MY CONTACT PRO
Java,Spring,Spring-Boot,Docker
- https://github.com/imvik2000/contactPro
- Used Spring Boot framework to implement APIs.
- Deployed Project using Docker instances.
- Followed Principle of Segregating data from functional code by configuring multiple docker instances for backend and database.
